Hi Jamie,

Thanks for your quick follow-up! One minor point of clarification: in response to your recent FOIA request (EPA-R5-2015-000496, submitted 10/15/2014), I will include e-mail messages that are listed in sections I.B., I.C., and I.D. of the review document that I previously provided for your review. Per our agreement, I will not include e-mail messages that are not specifically mentioned in the review document.

Thanks!

Anson,

Per our conversation regarding my recent FOIA request on the Pulliam mercury variance, I have agreed to limit the scope of that request by excluding email messages.

Thanks for your help,  
Jamie Saul
